

ST. PAUL'S LUTHERAN SCHOOL PARENT PERMISSION FORM

We are asking you as parents to check the areas in which you would permit your children to participate. By doing this we will not have to handle permission slips throughout the year. By checking the various items, you as parents would be indicating to the school:

1. That your children are physically fit to participate in the various strenuous activities and should suffer no abnormal effects.
2. That you give the school permission to take your children away from school for athletic events and field trips. Information about field trips will be sent home, but separate permission slips will not be needed each time.
3. That if any change should occur in regard to these permissions you will notify the school in writing. It is the school's responsibility to notify you of any such events in advance and provide proper supervision and organization.

Please list your child(ren)s first names in the top row of boxes below and then put an X in the areas where permission is granted for each child.
